“...I took the less traveled by, and that has made all the difference.”
“The Road not Taken”, Robert Frost

“The Great Spirit likes it that way. He only sketches out the path roughly for all the creatures on earth, shows them where to go, where to arrive at, but leaves them to find their own way to get there. He wants each to act independently, according to their nature, to the urges of each of them.”

Lame Deer, Seeker of Visions, John (Fire) Lame Deer and Richard Erdoes
